

Safesport Training

What is Safesport?

- The purpose of the Safesport Abuse Training is to educate in a 3-part series. Each training module last about 30 minutes and can be taken in segments. Once completing the first year each additional year will be a 30-minute review. By giving you the tools to recognize the grooming process of the sexual predator we will be able to better safeguard our young athletes.

How do we complete the Safesport Training?
